2014 MODEL 300 STOCKMAN FLOOR-STOCK REBATE

We will rebate your current floor-stock so you can be just as competitive with your existing stock. We will rebate the difference between your original invoice price and the new dealer price. The rebate continues to apply until all stock is retailed.

Rebates are managed after you have retailed the unit and after you have paid for the unit. Simply complete the information on the floor-stock rebate form and return it to our office. Please do not deduct the rebate from your payment due to GST requirements.

See the attached bulletins for more information about the 2015 models.

Best Regards
