

2016

# HDX 700 XT EPS

## UTILITY SIDE BY SIDE

### THE NEW 2016 HDX™

- Totally redesigned with automotive styling
- 8 dB engine noise reduction
- Class-leading convertible cargo box
- Pressure-adjustable FOX FLOAT® rear shock
- Electronic power steering
- Belt-saving Duramatic™ automatic transmission
- 2" rear receiver

**HDX PACKAGE** The 2016 HDX works harder than ever, and now it has the looks to match. Highly scratch-resistant Surlyn® body panels and an automotive-style hood turn heads and add functionality. Pressure-adjustable FOX FLOAT coil-over rear shocks provide 1,000 lbs. of carrying capacity. And with 3¼" more shoulder room and an 8 dB sound reduction system, comfort takes a back seat to no one.

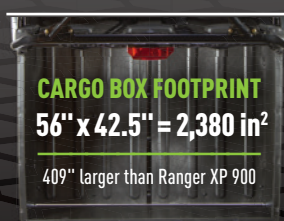

## UNMATCHED STORAGE

Best-in-class storage just got even better. The new 22.4 gallon underhood storage box is 20% bigger than last year. Add in the expanded 2.3 gallon glove compartment, rubberized center dash cubby, and side storage boxes, and it all totals more than 42.75 gallons of space for your stuff — 4.4 times more than the competition.

## HDX PAYLOAD

This 2-in-1 cargo box converts to a flatbed in minutes and hauls up to 1,000 lbs. of equipment and materials. That's why so many doers can't do without an HDX.

## CLOSED-LOOP EFI SYSTEM

Closed-loop EFI systems use an O2 (oxygen) sensor to automatically adjust for an ideal exhaust air-to-fuel ratio.

- Improved engine run quality
- Up to 25% better fuel economy
- Improved throttle response
- Up to a 33% reduction in emissions

ASSEMBLED IN AMERICA

# 2016 HDX XT EPS

## SPECIFICATIONS

Engine Displacement (cc)	695
Engine Type	SOHC, 4-Stroke, 4-Valve with EFI
Cooling System	Liquid with Fan
Bore & Stroke (mm)	102x85
Alternator Capacity (amps)	28
Speedometer	Digital
Odometer	Digital
Fuel Capacity (gal./liters)	8.2 (31)
Transmission	Automatic CVT, Hi/Lo Range, Reverse and Park
Drive System	2/4 WD + Electric Front Differential Lock
Front Brakes	Hydraulic Disc
Rear Brakes	Hydraulic Disc
Front Suspension	Double A-Arm
Front Travel (in./cm)	10 (25.4)
Rear Suspension	Double A-Arm
Rear Travel (in./cm)	10 (25.4)
Front Tires (Aluminum Rims)	Duro Kaden/26x9R14
Rear Tires (Aluminum Rims)	Duro Kaden/26x11R14
Overall Length (in./cm)	129 (327.7)
Overall Width (in./cm)	60 (152)
Overall Height (in./cm)	79 (200.7)
Wheelbase (in./cm)	85 (215.9)
Ground Clearance (in./cm)	10 (25.4)
Dry Weight (lbs./kg)	1,363 (618.2)
Rear Rack/Box Storage Capacity (lbs./kg)	1,000 (453.6)
Towing Capacity (lbs./kg)	1,500 (680.4)
Minimum Operator Age	16
Available Colors	Team Arctic® Green

ROVs can be hazardous to operate. For your safety, all occupants must wear a seat belt, approved helmet, eye protection and protective clothing; use handhold and stay inside vehicle. Never ride on paved surfaces or public roads. Never engage in stunt driving; riding and alcohol/drugs don't mix and could cause serious injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. We recommend all ROV operators have a valid driver's license. No operators under age 16. Never carry a passenger in the cargo box; occupants must be able to place both feet on the floor while keeping their back against the back of the seat. Arctic Cat recommends that all riders read and understand their operator's manual before operation. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private lands. Ride only on designated areas or trails. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when riding. Do not shoot from or lean firearms or bows against the ROV. All materials and specifications are subject to change without notice. All specifications, competitive specifications, claims and information contained within are based on current knowledge and readily available printed material as of December 1, 2014.
