## **New Model – Prowler 500 HDX Available Now**

**22 April 2014**

Ladies and Gentlemen

The new Prowler 500 HDX side-by-side model is available now in a great value package. It's more of what the farmer wants and less of what he can do without. Here are the main features...

Unique Prowler 500 HDX features

- Great low price
- Full-size long-wheelbase chassis just like the Prowler 700 HDX.
- 3-Seats all with lap/sash belts and head rest.
- 270kg loading for rear tipper tub. Sides of tipper tub can be removed to make a flat tray – ideal for fencing.
- 680kg towing with 50mm tow hitch receiver at rear and at front.
- Powder-coated steel wheels and non-painted plastic panels.
- 444cc liquid-cooled engine, 4-Valve, 4-stroke with EFI.

See the remainder of this bulletin for the full list of features

# Dealer Sales Bulletin

## 2014 Utility Side-by-Side Overview

The Prowler has single-handedly taken the Side by Side industry to new heights in quality and design. It didn't happen by accident. Arctic Cat product designers are enthusiasts, adventure-seekers and hardworking people just like you.

## Features

### 500 H1 4-Stroke Engine w/EFI

Smooth, consistent acceleration comes courtesy of this potent 443cc, SOHC, liquid-cooled single-cylinder. Its wide torque curve and smooth power delivery are a benefit of electronic fuel injection, which tunes the engine for any temperature, elevation and humidity.

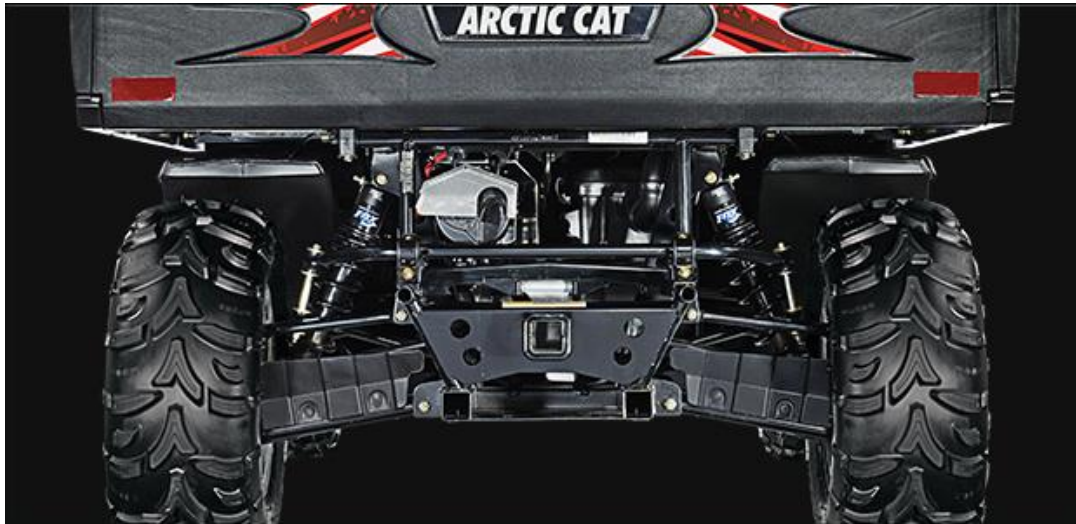

# Dealer Sales Bulletin

## Fully-Independent Suspension

In the face of aggressive terrain, 10 inches (254mm) of travel, combined with 10 inches of ground clearance lets you overcome every obstacle in your workday.

## Digital Gauge

The digital gauge features 14 critical operation information indicators: clock/hour meter, fuel level, mode button, set/reset button, odometer/trip, gear position, speedometer/tachometer, differential lock, high beam and temperature.

# Dealer Sales Bulletin

## Duro Kaden Tyres & Steel Wheels

It's the perfect match. Steel wheels and Duro 3 Star Kaden tyres. Go anywhere in rugged style. Tough wheels. Tough tyres.

## On-The-Fly 2/4 WD

Purists prefer to be in control of when to shift into 4WD. With the flip of a switch power is changed from 2WD to 4WD. Thanks to the front differential, in 4WD the steering remains light.

# Dealer Sales Bulletin

## 3-Passenger Seat

The Prowler® HDX™ is a working Side by Side. Sometimes the job calls for an extra hand. Which is why we added the three-person bench seat complete with lap sash belts for all occupants.

## Transformable Tilting Rear Cargo Box

The HDX™ was voted the industry's best heavy duty ROV. The 2-in-1 cargo box hauls up to 272kg. It's wide enough to fit a wooden pallet and converts to a flatbed in minutes.

# Dealer Sales Bulletin

## Front and Rear 50mm Receivers

You're gonna be towing stuff. So naturally, we provide the receiver for your 50mm hitch. And to make things even more interesting, you'll find a second receiver up front. Now that's clever. And useful.

## Sleek Side Restraints

It's all about ergonomics. Making sure the occupants are safe and comfortable is paramount.

## Dashboard Shift Lever with Park

Ergonomics on these machines are excellent. Here's another example. The shift lever is right there on the dash. We've added the Park gear for the sake of convenience.

## Accessories

The catalogue is a mile thick for a reason. Arctic Cat® people love to customize their rides. Check out the catalogue at your dealer to see how you can make your new Side by Side stand out from the rest. Here are just few of the many items...

---

SOFT CAB KIT

Solution-dyed, high-UV, 600-denier, urethane-coated polyester roof, back and doors. Side windows unzip, back rolls up. Side and rear windows are 20-gauge clear vinyl.

A range of cabin components are also available in hard materials.

# Dealer Sales Bulletin

## BLACK MAGIC® WHEEL

Corrosion-resistant, rugged, lightweight aluminium construction. Polished with black inlays for understated shine and finish.

## V-BAG

Gives extra storage in unused space. Mounts to “V” section in rear canopy tube.
